YOUR DIGITAL WORKFLOW STARTS HERE

The fastscan.io™ Scanning Solution combines Medit® technology with Glidewell training and support to deliver a complete, stress-free and affordable introduction to digital dentistry.

- **Pay zero subscription or licensing fees.**
- Includes a portable cart, laptop, and monitor, **plus free support and training from Glidewell.**
- Send BruxZir® Zirconia model-free restorations cases to Glidewell for a **3-day turnaround and \$20 savings** or send cases to your lab of choice.
- Choose your scanner bundle with the **Medit i700, Medit i900 Classic or Medit i900 Mobility.**

What Your Peers Are Saying About Their Experience With fastscan.io

"Glidewell has really nailed it—I like how it comes with the laptop, battery pack, a nice big monitor, and it's easy to move from room to room. **I would definitely recommend it to other practices looking to improve their digital workflow.**"

— Kenneth Hsieh, DDS
Houston, TX

"Some in my staff had never used a scanner before. But after just two tries with fastscan.io, their scans looked just as good as mine! **The training was great, the hardware is easy to use, and the Glidewell lab is wonderful. I can't say enough great things.**"

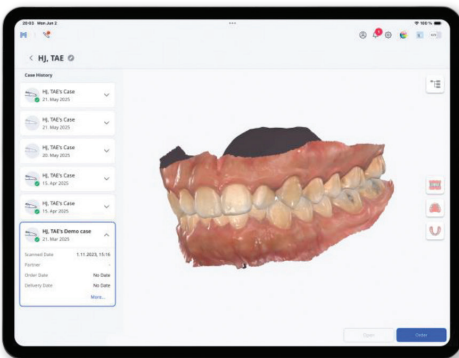

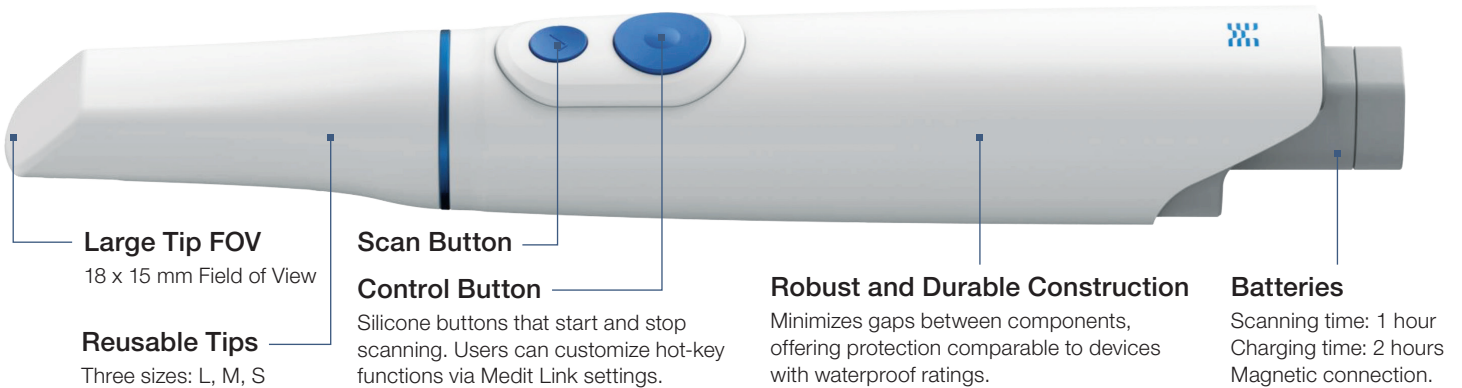

— George Marquis, DDS
Fulton, MS

"I just can't believe the excellent customer service I get with the fastscan.io Scanning Solution — when I call with a question, they have an immediate answer. That's chairside support that I'm just so happy with. I feel like I have somebody in my corner."

— Nicole DeVecco Kim, DMD
East Greenwich, RI

MEDIT i900 MOBILITY BEYOND WIRELESS

Recommended iPad model: M4
(11 inch or 13 inch)
