

WHAT  
**BruxZir**<sup>®</sup>  
CAN DO  
FOR YOUR  
*smile*

**BRUXZIR SOLID ZIRCONIA  
IS IDEAL FOR:**

- Straightening crooked teeth
- Closing unsightly spaces
- Replacing missing teeth
- Replacing damaged fillings
- Removing metal from your mouth
- Strengthening weakened or broken teeth

**TWO TYPES OF BRUXZIR SOLID  
ZIRCONIA ARE NOW AVAILABLE:**

- 1. BruxZir Full-Strength** – Strong, reliable, chip-resistant, and the top-prescribed material by dentists.
- 2. NEW! BruxZir Esthetic** – Developed to add a naturally beautiful appearance to your smile.

*Ask your dentist which BruxZir type is ideal for your restorations.*

**THREE KEY QUESTIONS  
TO ASK YOUR DENTIST**

- 1.** Is BruxZir right for me?
- 2.** Will my smile look natural?
- 3.** What are the benefits of a BruxZir restoration?
